*Assessment of Support*  
*National School Climate Standards*

Standard 1	Standard 2
<i>The school community has a shared vision and plan for promoting, enhancing and sustaining a positive school climate.</i>	<i>The school community sets policies specifically promoting (a) the development and sustainability of social, emotional, ethical, civic and intellectual skills, knowledge and dispositions and (b) a comprehensive system to address barriers to learning and teaching and reengage students who have become disengaged.</i>
Encourages and supports communication between teachers, staff, students and their families to establish a shared vision and plan for promoting, enhancing and sustaining a positive school climate	Supports standards for social, emotional, ethical and civic learning which are fully integrated into the classroom and school
Encourages and supports communication between teachers, staff, students and their families to share goals, benchmarks and progress	Encourages understanding and support of individual student circumstances and differences, including differences related to race, gender, religion, etc.
Establishes empathetic and compassionate modes of conduct	Promotes mutual respect, caring and a psychological sense of community
Encourages thoughtful assessment of appropriate behaviors and constructive means of managing conflict	Improves engagement in learning by helping students to self-regulate their behavior, activity level, focus and anxiety
Encourages respect for the school environment, faculty, staff and students	Promotes student and teacher commitment to personal health and wellbeing
Engages students in the care and preservation of the school property and environment	Builds and sustains community within the classroom and the school
Encourages cooperation between students, teachers and staff	
Focuses on positive development of children and youth in the school, the community and the home	
Empowers students to discover and implement prevention and positive intervention strategies when dealing with conflict

Standard 1	Standard 2

**Yoga 4 Classrooms™**  
*Assessment of Support*  
*National School Climate Standards*

Standard 3	Standard 4
<i>The school community's practices are identified, prioritized and supported to (a) promote the learning and positive social, emotional, ethical and civic development of students; (b) enhance engagement in teaching, learning and school-wide activities; (c) address barriers to learning and teaching and reengage those who have become disengaged; and (d) develop and sustain an appropriate operational infrastructure and capacity building mechanisms for meeting this standard.</i>	<i>The school community creates an environment where all members are welcomed, supported, and feel safe in school: socially, emotionally, intellectually and physically.</i>
Curriculum instruction and practice supports cognitive and behavioral learning as well as social, emotional, ethical and civic engagement	Encourages a classroom and school environment where all students, staff and teachers feel welcomed, supported and safe
Fosters communication between students and teachers, such that students are able to emphasize interests and needs, express options and choices and play a meaningful role in decision-making (especially in regards to their own needs and wellbeing)	Provides conflict resolution strategies to minimize bullying and create an environment where all students feel safe and supported
Minimizes coercive interactions (bullying)	Provides understanding of diversity and encourages school members to openly accept and welcome others regardless of differences in race, faith, gender, etc.
Improves student participation, learning and enjoyment of classroom activities, enrichment activities and extracurricular activities (including sports)	Enables students to communicate their needs in order to improve and maintain a state of wellbeing
Maximizes feelings of competence, self-esteem, self-determination and connectedness to others	Encourages a greater awareness of responsibility for one's words and actions, and an improved understanding of the impact one's words and actions might have on others
Promotes healthy physical, mental, emotion and social development	
Encourages early intervention to resolve conflict	
Provides classroom management practices for maximum engagement and reengagement of all students	
Provides opportunities for students to assume leadership roles
